

Leadership opportunities at Abbeyfield School

For more information please
contact Mrs Pierce
jep@abbeyfield.wilts.sch.uk

Year 7

Opportunities to develop leadership skills during PE Lessons though peer coaching i.e. refereeing and umpiring during lesson time.

Opportunities to join in with afterschool clubs and take on leadership responsibilities given by the PE teacher. Our Senior Sports Enrichment YR13 will also work closely with any Year 7 who wishes to start learning “what is involved in being a Sports Ambassador” contact Abigail Price
16PriAbi@abbeyfield.wilts.sch.uk

Year 9 (Girls Only) YourTime Leadership - “Sports Leaders”

Your Time Leaders complete a series of six online learning modules that focus on developing the skills which help them make a difference: teamwork, communication, problem solving, self-belief, self-management skills framework, and event running.

All six modules are fun and engaging, with activities that test learners’ knowledge and help them build their confidence. As they work through the programme, our Sports Ambassadors share their insight and inspiration from their own sporting careers.

After finishing the online learning, the Your Time Leaders complete the programme by leading at least one competitive sports event to their peers.

Year 8 – Year 13

Youth Sport Trust - “Sports Ambassador Programme”

Opportunities to join the Youth Sport Trust “Sports Ambassador Programme”, the only School in Wiltshire to offer this. If successful, you will receive the Youth Sport Trust award and run different sporting festivals for our feeder primary schools. You will also work alongside the Chippenham Sports Partnership and be part of the Chippenham Sporting Community.

Youth Sport Trust Leaders complete a series of learning modules that focus on developing the skills which help them to make a difference: teamwork, communication, problem solving, self-belief and self-management and skills framework, you work closely with Mrs Pierce.

All modules are fun and engaging, with activities that test the Sports Ambassadors knowledge and help them build their confidence to organise and run sports event.

Year 12 - School Games - “Leadership Programme”

All year 12 will have the opportunity to join the School Games “Leadership Programme”, all YR12 will receive the School Games Award and will support the Wiltshire School Games.

School Games Leaders will complete a series of four learning modules that focus on developing the skills which will help them master: teamwork, communication, problem solving, self-belief and self-management skills. All skills that will support UCAS applications, apprenticeships or employment.

All modules are fun and engaging, with activities that test your leadership knowledge and give you leadership experience. This course helps build confidence and will raise self esteem.
